Privacy Policy

At STACK AND SAUCE we are committed to protecting the privacy and data of our customers. This privacy policy explains how we collect, use, and protect your personal information, including any information that may be collected by a third-party data processor.

How we collect data through Best Restaurant Deals

Some of our advertisements and sign-up forms are run under the "Best Restaurant Deals" brand, which is operated by Really Social Media Ltd (company no. 09851572) on our behalf.

If you gave us your details through a Best Restaurant Deals advert or form, that information was collected for STACK AND SAUCE. We are the data controller: we decide how your information is used and we remain responsible for it. Best Restaurant Deals and Really Social Media Ltd act only as our data processor, collecting and storing your details on our instructions under a written data processing agreement. They do not use your data for their own marketing purposes, and they do not sell it or share it with other restaurants or third parties.

Your details are added to STACK AND SAUCE's own marketing list and used only for communications from us. You can opt out at any time using the unsubscribe link in any message we send, or by contacting us at amiruluddin92@gmail.com.

Personal Information We Collect

When you visit our website, place an order, book a table or register for our marketing communications we may collect personal information that you provide to us, such as your name, email address, phone number, and any other information that you choose to provide. We may also collect non-personal information, such as your IP address, browser type, and other technical information.

Use of Personal Information

We may use your personal information to provide you with our service, including processing reservations or orders, responding to inquiries or requests, and sending marketing communications. We may also use your personal information to improve our website and service, as well as for analytics and research purposes.

Data Storage

STACK AND SAUCE securely stores your data on multiple systems to allow us to operate efficiently. This could include our website, online ordering system, table booking platform, EPOS (till system) and our marketing platform, which is provided by Really Social Media Ltd (company no. 09851572), trading in some contexts as Best Restaurant Deals. Really Social Media Ltd acts as our data processor, as described at the top of this policy. If you have agreed to receive marketing communications from us, you may always opt out at a later date.

We may also use other third-party processors to store or process your personal information on our behalf. We ensure that any processor we use is compliant with applicable data protection laws and regulations.

Disclosure of Personal Information

We may also disclose your personal information to our third-party service providers who help us to provide services to you, such as payment processors or delivery services.

We will not disclose your personal information to third parties for any other purpose unless we are required to do so by law, or in connection with a legal proceeding or investigation.

Security of Personal Information

We take the security of your personal information seriously and take reasonable steps to protect it from unauthorised access, use, or disclosure. We use industry-standard protection and other security measures to protect your personal information while it is in our possession.

Cookies

We use cookies on our website to enhance your browsing experience and to collect non-personal information. You may choose to disable cookies in your browser settings, but please note that some features of our website may not function properly without cookies.

Changes to Privacy Policy

We reserve the right to update or modify this privacy policy at any time. Any changes to this policy will be posted on our website, and we encourage you to review this policy periodically.

Data Protection Rights

We want to make sure you are fully aware of your data protection rights. Every user is entitled to:

- **The right to access your data** — you have the right to request copies of the data we hold about you.
- **The right to rectification** — you have the right to request that we correct any information you believe is inaccurate and you have the right to request that we complete any information that you believe is incomplete.
- **The right to erasure** — you have the right to request that we delete your personal data, under certain conditions.
- **The right to restrict processing** — you have the right to request the restriction of processing of your personal data, under certain conditions.
- **The right to object to processing** — you have the right to object to the processing of your personal data, under certain conditions.
- **The right to portability** — you have the right to request that RESTAURANT NAME transfer the data that we have collected to another organisation or directly to you, under certain conditions.

If you make a request, we have one month to respond to you. If you would like to exercise any of these rights, please contact us directly on the email address below.

If you have any questions or concerns about our privacy policy, please contact us at amiruluddin92@gmail.com.
